This Permit expires in 90 Days from the date issued and becomes null and void if work is not completed in that time.

The Applicant and /or Applicant's Contractor agree to comply with the General Provisions and General Conditions as attached to this permit as well as the following Special Provisions:

Work connected to City of Glendive Utilities must be inspected prior to covering. Inspections after normal work hours (8:00 A.M. to 5:00 P.M. Monday-Friday) and holidays will be charged equal to department expenses.

Application for Street Excavation Permit shall be submitted at least two (2) days in advance of proposed work. The Street Excavation Permit is not valid without authorized signature by the Public Works Department Representative and assigned a permit number.

It is understood and agreed that if the permit is granted, the applicant shall at all times indemnify and save harmless the City of Glendive, members of the City Council, the State of Montana, and all City and State employees, agents, and officers from responsibility, damage or liability arising from the exercise of the privileges granted in such permit. The undersigned agrees to maintain suitable safety devices around the excavation so as to keep the streets safe for traffic and pedestrians during the time the excavation is open and follow the Manual on Uniform Traffic Control Devices guidelines for construction traffic control and all other local, state and federal laws and regulations.
